

# *South Carolina Fire Academy*

## Public Fire Service Course Dates *January - June 2012*

South Carolina Department of Labor, Licensing and Regulation  
Division of Fire and Life Safety  
South Carolina Fire Academy

## Schedule Information

This catalog contains the scheduled courses offered by the South Carolina Fire Academy from January - June 2012. They are listed by region, with location and start dates. End dates are included when possible. All courses will start on the date shown, but the meeting days or ending dates may be adjusted after the course starts to better accommodate student needs.

Please refer to the FY-2012 Curriculum Catalog for course descriptions, including prerequisites, minimum and maximum number of students allowed, length and cost. Information is subject to change at the discretion of the S.C. Fire Academy or the Department of Labor, Licensing and Regulation (LLR). Be sure to review this information as some programs may have been updated. Policies on student eligibility and conduct, Fire Academy facility information, certification procedures, regional office information and other important matters are also included. Courses not scheduled in this supplement may be available for delivery on request, provided certain criteria are met. If a course is not listed that your department could benefit from, contact your regional supervisor for more information.

## Course Registration Deadline

The S.C. Fire Academy will adhere to a mandatory 30-day registration deadline for all Fire Academy courses.

## National Fire Academy Direct Delivery

The direct delivery programs listed below will be taught at the S.C. Fire Academy during 2012. These programs are funded by the NFA and taught by NFA adjunct instructors. Refer to the Resident Program section of this insert for dates and times. Per NFA requirements, registration for these classes closes 45 days prior to the start date for each class.

7182-12002	Courtroom Preparation and Testimony for First Responders	Jan. 24 - 25
7602-12001	Executive Skills Series: Influencing	April 17 -18
7103-12001	Community Risk Issues and Prevention Interventions	June 19 -20
7601-13001	Executive Skill Series: Managing and Leading Change	Aug. 28-29

## EMD Grant Program

The Fire Academy has received grants from FEMA through the S.C. Emergency Management Division (EMD) to provide certain specialized training. Grant-funded programs are offered at no cost and are marked with a (▼) symbol. For specific details and to arrange for course delivery, contact your county EMD coordinator. Funding is limited and may not be available for all requests.

## NFA / FEMA Command Training Grant

The Fire Academy has received a grant from the NFA and FEMA to conduct command training programs throughout the state. This grant supports the delivery of NFA hand-off courses and the delivery of selected NFA regional, resident and direct delivery courses.

These courses will be offered at locations throughout the state and include:

- Shaping the Future**
- NIMS/ICS for the Fire Service**
- Leadership I: Company Success**
- Leadership II: Personal Success**
- Leadership III: Supervisory Success**
- Firefighter Health and Safety**
- Health and Safety Officer**
- Incident Safety Officer**
- Managing in a Changing Environment**
- Arson Detection for First Responders**
- Incident Command for High-Rise Operations**
- Fire Service Supervision: Personal Effectiveness**
- Fire Service Supervision: Team Effectiveness**
- Incident Command for Structural Collapse Operations**
- Preparation for Initial Company Operations**

- Strategy and Tactics for Initial Company Operations**
- Decision Making for Initial Company Operations**
- Principles of Building Construction: Combustible**
- Introduction to Volunteer Fire Service Management**
- Firefighter Safety and Survival: The Company Officer's Responsibility**
- Building Construction for Fire Suppression Forces: Noncombustible and Fire Resistive**

These courses will be offered in addition to regularly scheduled Fire Academy classes. You may register for these courses as you would for any other Fire Academy program. The NFA/FEMA grant classes are designated with a (◆) symbol.

## Special Programs

<b>Health and Safety Conference</b>	<b>Jan. 21-22</b>
<b>Instructor Society Conference</b>	<b>Feb. 3-5</b>
<b>Southeastern Fire School</b>	<b>Mar. 10 - 11</b>
<b>S.C. Firefighters Association Fire/Rescue Conference (Myrtle Beach)</b>	<b>June 6 - 11</b>

### **South Carolina/Rhode Island Weekend at the NFA**

Aug. 11 - 12                      This weekend is for career and volunteer firefighters and will be shared with Rhode Island and Michigan.

**Course Offerings:**

- Incident Safety Officer
- Courtroom Preparation and Testimony for First Responders
- Decision Making for Initial Company Operations
- Strategy and Tactics for Initial Company Operations
- Fire Prevention for First Responders and Small Departments
- Leadership II: Strategies for Personal Success
- ERT: Strategic and Tactical Considerations for Supervisors
- Emergency Medical Services Functions in the Incident Command System

## S.C. Fire Academy's Online Learning Community

Fire certification training is only a click away through the S. C. Fire Academy's Online Learning Community. These web-based courses offer an alternate delivery method for students who otherwise may not be able to travel to attend traditional courses. Providing more training to more firefighters better prepares our communities in the event of a disaster, protects property, and saves lives.

### **Course Categories**

*Independent Study*

Independent study courses provide strictly web-based instruction that includes multimedia presentations, video instruction, written activities, and competency testing. After registering for the course, independent study students complete the entire course online and are not required to attend face-to-face classes.

Courses currently offered in the independent study format:

- 2727 - Hazardous Materials Awareness

*Blended Learning*

This category uses a "virtual classroom" as its primary means of instruction. This course format blends online learning with a face-to-face, applied learning/concept development phase to help students attain the critical thinking skills fire service professionals require. During the online portion, students view web-based interactive modules, complete written assignments, review online study materials, and interact with their instructor and other students through the course's discussion forums. At the completion of the online portion, students meet in person with the instructor for team-building and other applied learning activities and to complete a proctored certification test. These courses typically include a face-to-face orientation session, an eight-week "at home" period, and traditional classroom sessions.

Courses currently offered in the blended format:

- 2101 - Fire Officer I
- 4170 - Fire Instructor I

#### Hybrid eLearning

The Academy's hybrid eLearning courses require greater technical skill development and combine elements of both independent study and blended learning. In a hybrid course, students must first successfully complete an online independent study portion before participating in face-to-face skill development sessions. Students work at their own pace to complete the online reading assignments and instructor-led activities, watch skills videos, and review study guide questions. The online portion also includes competency testing through required online chapter/module tests. Student must successfully pass all online tests to qualify for the instructor-led skill development and evaluation sessions, where the skills are taught, practiced, and evaluated.

Courses currently offered in the hybrid eLearning format:

- 1401 - Firefighter I
- 1428 - Hazardous Materials Operations (coming soon)

#### How to Enroll

To enroll in the S.C. Fire Academy Online Learning Community, students must preregister by downloading and printing a registration form from the SCFA website, and mailing or faxing the form to the Academy at least 30 days before the course's start date. Students will receive information either through email or a standard letter that will explain how to create an online account and how to log-in to the course. Each course may have different completion and participation requirements, which will be communicated upon enrollment. If you have any questions, please contact our online training staff at [OnlineTrainingSupport@llr.sc.gov](mailto:OnlineTrainingSupport@llr.sc.gov) or call 803-896-9078.

## New Updated Fire Marshal Certification Program

### Fire Marshal Certification/ICC Fire Inspector I (Course 8608)

(Revised program starting January 2012)

**Course Description:** This advanced course is designed to familiarize the student with fire inspection principles and prepare the student for the ICC Fire Inspector I exam. The course will utilize the International Building Code and the International Fire Code. This course incorporates the provisions of NFPA 1031, Standard for Professional Qualifications for Fire Inspector and Plans Examiner.

**Part 1 Classroom:** Five days (40 hours) of classroom instruction (including practical)

**Part 2 Exam:** (Course 8609) The exam is a 60 question, open book, two hour exam. Every attempt will be made to schedule the exam on the Saturday following the 40 hour class and within 45 days after the completion of the class.

**Part 3 Rules and Regulations Module:** For certification as a South Carolina Fire Marshal, students must also complete the State Rules and Regulations Module (Course 8610). This is a four hour module. To reduce travel for the students, every attempt will be made to schedule the module in the afternoons, following ICC FI I testing.

Hours: 40 (Parts 2 and 3 will require additional hours)

Fees: \$300 (Course registration does not include dorm room or meals). All fees must be prepaid at the time of registration. These fees are nonrefundable after the registration cutoff date.

Students: Min.: 50 Max.: 75

Application Procedure: **Registrations for all three parts** must be submitted with the applicable dates shown on each registration form. Please list the correct course code for each registration form. Students must submit the completed registration forms to:

- SCFA Registrar
- South Carolina Fire Academy

141 Monticello Trail  
 Columbia, S.C. 29203  
 Fax: 803-896-9856

**Registration Cutoff:** Registration for this course has a 45-day cutoff must be received 30 days prior to start of course. This is to allow time for the pre-course material to be received and completed.

**Textbook information:** Code books (International Fire and Building Codes) are the responsibility of the student. Electronic, online, and handbook versions of these manuals are not permitted for this course. State Statutes and Fire Marshal Rules and Regulations will be provided by the SCFA/OSFM. IFSTA Fire Inspections and Code Enforcement Manual (7<sup>th</sup> Edition) and Interactive Study Guide are included in the course fee and will be shipped upon acceptance in the course and shall be read and completed as the pre-course assignment prior to the first day of class.

**Retest Procedure:** In the event that the student fails to achieve the minimum score (as determined by the ICC) on the final examination, the student will be responsible for scheduling retests through the ICC or the SCFA. The student will be responsible for all costs associated with retests.

**Course Offerings:**

8608-12001	Jan. 23 – 27	8:30 – 5 p.m.	\$300
8608-13001	July 16 – 20	8:30 – 5 p.m.	\$300

**ICC Fire Inspector I Exam – (Course 8609) (Part 2)**

The exam fee is included in the 8608 Fire Marshal Certification Course if the exam is being taken as part of the program. Registration is required 45 days in advance and walk-ins will not be permitted. If registering for a challenge exam, please contact the OSFM for the price cost.

8609-12001	Jan. 28	9 - 11 am	SCFA
8609-12002	Feb. 28	9 - 11 am	SCFA
8609-13001	July 21	9 - 11 am	SCFA
8609-13002	Aug. 21	9 - 11 am	SCFA

**S.C. Fire Marshal Rules and Regulations (Course 8610) (Part 3)**

**Course Description:** This four-hour training program is conducted to familiarize Fire Marshal candidates with the specific rules, regulations and statutes that pertain to them while operating in South Carolina.

Prerequisite: 8608 or current ICC Fire Inspector I card.

Hours: 4

Fees: \$5 per class (no meals)

Students: Min: 10 Max: Dependent upon location

8610-12001	Jan. 28	1 - 5 p.m.	SCFA
8610-12002	Feb. 28	1 - 5 p.m.	SCFA
8610-13001	July 21	1 - 5 p.m.	SCFA
8610-13002	Aug. 21	1 - 5 p.m.	SCFA

**Textbook Information:** Unless otherwise specified in a course offering, no textbooks will be required. Depending on the subject matter, it is suggested to bring the referenced code book or standard. Handout materials may be provided for students taking notes. An exam may be given at the end of each program.

After successful completion of all three parts, a certification application will be mailed to the student for certification as a Resident Fire Marshal. A processing fee may be required. Failure in completing all parts of the program within 120 days of the last day of classroom instruction will result in the student getting a “fail” grade for the 8608 course. The student must retake the course in order to obtain certification as a South Carolina Resident Fire Marshal.

## Curriculum Changes That May Affect You or Your Department

Course 2727, Hazardous Materials Awareness is a mandatory prerequisite for Hazardous Materials Operations. Course 2727 is available in two formats, one is an online course delivery and the other is an 8-hour traditional classroom delivery. All students registering for the online version of Course 2727 must use the following course code and section number on the registration form: 2727-12001. Traditional course students will use the course code and section number as published for their course selection. Online students will receive additional information on accessing the online training site with the course confirmation.

Course 2728, Hazardous Materials Operations, (32 hours), and meets the prerequisite requirement for course 1153, NFPA Firefighter I. Students who have taken the previously offered 2722 course, Hazardous Materials Operations, and course 1136, Flammable Liquids and Gas Firefighting, will not need to take the new 2728 course in order to meet the prerequisite requirement for 1153.

Course 1136, Flammable Liquids and Gas Firefighting, is no longer a prerequisite for 1153, NFPA Firefighter I. Course 1136 will remain a current active course available through the Fire Academy's delivery system. The course has been rewritten and only covers flammable liquids and gases. All reference to hazardous materials that do not involve flammable liquids and gases have been removed. It should be considered an advanced class for students completing the 1153 and 1154 programs.

Course 3400, Aircraft Rescue Firefighting, is a five-day program (decreased from six days). Course curriculum will remain the same along, with all course objectives.

## Challenge Opportunity Continues

### Challenge Course 1152 (Course Code 4700)

This special challenge applies to in-state current firefighters who have completed firefighter training in the past which can be documented to be equivalent to the old 1121 course (Fundamentals of Firefighting course of at least 60 hours documented by a certificate of completion). A fire department in-house certificate or letter signed by the chief of the department reflecting 60 hours of basic firefighter training will also meet this requirement. The certificate or letter must be attached to the registration form.

To be eligible to challenge the 1152 written exam and Practical Skills, the firefighter must:

- a. Have documented proof of being a volunteer or paid member of a fire department for at least a year prior to January 1, 2011.
- b. Be in good standing with current department and registered as a firefighter under the Firefighter Registration Act.
- c. Register for desired testing session at least 30 days prior to the testing session date.

Students registering for this challenge test are responsible for all material covered in our 1152 Course, Fundamentals of Firefighting. This includes reading material, as well as practical skill development. Students may also review (other than our IFSTA curriculum) manuals from other sources such as; Jones and Bartlett, Delmar and Brady Publishing. All practical skills are evaluated using the IFSTA curriculum and as taught in our program. The 1152 Performance Task Manual for all practical skills is available on our website at [www.scfa.state.sc.us](http://www.scfa.state.sc.us). Students must score a minimum of 70 percent on the written exam and successfully complete all random skills. Students are given a second attempt during the practical skill session. This second attempt is immediate with no "coaching" or remedial training from the evaluator. A single retest of the written exam will be allowed. Allow a full day for this challenge process.

Fee: \$5      Books: Contact the State Firefighters' Association for availability and prices.

### Challenging Firefighter I (Course Code 4701)

Prior to January 1, 2011, students must have at least eight years of service or greater.

This special challenge only applies to instate current firefighters who have completed 1152, or have been given equivalency, Course 2722, Hazardous Material Operations, or its equivalent as determined by the SCFA. Please attach copies of certificates to be considered as equivalent for Hazardous Materials Operations to the registration form. Also attach copies of your current First Aid and CPR cards.

This challenge is only allowed January 1, 2011 until December 31, 2012.

To be eligible to challenge the State Certification Exam for the endorsed IFSAC Firefighter Level I, the firefighter must:

- a. Have the Fire Chief Verification Package attached to registration form. This downloadable package is available at [www.scfa.state.sc.us](http://www.scfa.state.sc.us).
- b. Meet the above prerequisites and register for desired testing session at least 30 days prior to the testing session date.

Students registering for this challenge test are responsible for all material covered in the 1153 course, Firefighter I. This includes all reading material and skills covered in 1152 and other prerequisite courses. Students may also review (other than our IFSTA curriculum) manuals from other sources such as: Jones and Bartlett, Delmar and Brady Publishing. Students must score a minimum of 70 percent on the written exam. A second retest will be granted, if unsuccessful on the first attempt. The retest can be scheduled after grades are released following the first exam. A random skill evaluation session will not be required. Applicable documentation to support the package must be on file within the department. Allow four hours for the exam.

Fee: \$5      Books: Contact the State Firefighters' Association for availability and prices.

### Challenging Firefighter II (Course Code 4702)

Prior to January 1, 2011, students must have at least eight years of service or greater.

This special challenge applies to instate current firefighters who are certified to the level of Firefighter I, and completed the Academy's Course 3330, Auto Extrication. Equivalent courses are not accepted for course 3330.

This challenge is only allowed from January 1, 2011 until December 31, 2012.

To be eligible to challenge the State Certification Exam for the endorsed IFSAC Firefighter Level II, the firefighter must:

- a. Have the Fire Chief Verification Package attached to the registration form. This downloadable package is available at [www.scfa.state.sc.us](http://www.scfa.state.sc.us).
- b. Meet the above prerequisites and register for the desired testing session at least 30 days prior to the testing session date.

Students registering for this challenge test are responsible for all material covered in the 1154 course, Firefighter II. This includes all reading material and skills covered in Course 1153 and other prerequisite courses. Students may also review (other than our IFSTA curriculum) manuals from other sources such as: Jones and Bartlett, Delmar and Brady Publishing. Students must score a minimum of 70 percent on the written exam. A second retest will be granted, if unsuccessful on the first attempt. The retest can be scheduled after the grade is released following the first attempt. A random skill evaluation session will not be required. Applicable documentation to support this statement must be on file within the department. Allow four hours for the exam.

Fee: \$5      Books: Contact the State Firefighters' Association for availability and pricing.

**Challenging Fire Officer I (Course Code 4703)**

Prior to January 1, 2011, students must have at least eight years of service or greater.

This special challenge will apply only to in-state current firefighters who have certified to the level of Firefighter II and completed the Academy's Course 4171, Fire Instructor I or equivalent course.

This challenge will only be allowed from January 1, 2011 until December 31, 2012.

In addition to Item I, to be eligible to challenge the State Certification Exam and Practical Skills for the endorsed IFSAC Fire Officer Level I, the firefighter must:

- a. Have documented proof of being a volunteer or paid member of a fire department for the past eight years.
- b. Be in good standings with current department and registered as a firefighter under the Firefighter Registration Act.
- c. Meet the above prerequisites and register for desired testing session at least 30 days prior to the testing session date.

Students registering for this challenge test are responsible for all material covered in the 2100 Course, Fire Officer I. This includes all reading material as well as practical skill development. Students may also review (other than our IFSTA curriculum) manuals from other sources such as: Jones and Bartlett, Delmar and Brady Publishing. All practical skills are evaluated using the IFSTA curriculum and as taught in our program. Students must score a minimum of 70 percent on the written test and successfully complete all random skills. Students are offered a second attempt during the practical skill session. The second attempt is immediate with no "coaching" or remedial training from the evaluator. Students will be allowed one retest on the written exam. Please allow an 8-hour day for the challenge process.

Fee: \$5      Books: Contact the State Firefighters' Association for availability and pricing.

Special registration and special evaluation days for 4700 and 4703 will also be part of this program. These special evaluation days are available within this course date insert. For 4701 and 4702 that only require challenging of the written exam, you may register for one of the certification test dates listed in this insert. Please check the applicable region for dates and times convenient for you. Other dates may be announced via e-mail, mail-outs or on our website. Requests for special testing dates may be made through the applicable regional office based on numbers and needs. If you are interested in one of the challenges, please meet the prerequisites in order to register for that challenge process. All registrations will be verified by SCFA staff. To properly register, include the specific course code. The following are the course codes for each challenge:

<b>Course Code</b>	<b>Title</b>
4700	1152 -- Fundamentals of Firefighting Challenge
4701	1153 – NFPA Fire Fighter I Challenge
4702	1154 – NFPA Fire Fighter II Challenge
4703	2100 – NFPA Fire Officer I Challenge

While registering for a challenge session, include the correct course code and section number on the registration form. This program is separate from our normal challenge process associated with our equivalency program. This program is strictly for in-state firefighters meeting the requirements of registration as outlined in each challenge process. Please review each challenge process to ensure eligibility and provide documentation to support the registration form. Students must register at least 30 days prior to the testing session date. In addition, two of the challenges, 4701 and 4702, require a "Fire Chief Verification Package" be attached to your registration in lieu of having to take the practical skill (hands-on) portion of the evaluation. If the registration form does not have the "Fire Chief Verification Package" attached, it will be returned. This downloadable verification package is available at [www.scfa.state.sc.us](http://www.scfa.state.sc.us). The verification package contains a form that the Department Chief and the student must sign. It is recommended that a complete copy of this package be kept on file at the fire department (only Section 2 of this form will be on file at the Fire Academy). For the 4700 and 4703 courses, this form is not required since the challenge process requires both the written exam and the successful completion of practical skills during that session. This special challenge program is valid January 1, 2011 until December 31, 2012. During this time period, only one retest attempt will be allowed. If the second attempt is also unsuccessful the

student must complete the regular program. The Fire Academy's normal limit of 180 days for retest does not apply to this special challenge process.

If there are any questions regarding this challenge process, please contact your regional coordinator or the main campus in Columbia.

## Resident Training

**Phillip Russell . . . . . Resident Training Manager . . . . . (803) 896-9893**

**Gloria Evans . . . . . Resident Registrar . . . . . (803) 896-9859**

**NOTE: Resident courses are held at the S.C. Fire Academy and begin at 8:30 a.m.**

**REMINDER: There is a mandatory 30-day registration deadline applied to all Fire Academy courses.**

**NOTE: Courses marked with a ♦ are a NFA command grant. Courses marked with a ▼ are an EMD grant. These courses are free to in-state career and volunteer firefighters.**

***Unless noted, dorms and meals are not included as part of the course  
and are the responsibility of the student.***

**I 136 - Flammable Liquids and Gas Firefighting**

I 136-I2007	Jan. 30	8:30-5 p.m.	(lunch provided) \$31

Please refer to the Fire Marshal website ([www.SCFireMarshal.llronline.com](http://www.SCFireMarshal.llronline.com)) for specific course information and requirements, reference materials, codes and standards required for these courses. Students are required to bring codes, standards and other books where applicable. The website lists proper editions to bring to class. If the catalog states that pre-course assignments are included, the material will be shipped to the student upon class acceptance. These pre-course assignments are required and must be completed before the first day of class. The website also provides street addresses for quarterly training sites at off campus locations.

## Certification Testing Dates

Exams for all certification levels are offered at each site. Register by listing the exam course code and the location section number on a SCFA registration form and return it at least 30 days prior to the exam date. **Walk-in registrations for certification exams are not accepted.** Refer to the Curriculum Catalog for details on prerequisites for each certification level and testing preparation. A testing fee of \$5 is required for courses 4701 and 4702.

### Exams:

4500 - Fire Instructor I	4501 - Firefighter I	4502 - Firefighter II
4503 - Driver/Operator - Pumper	4504 - Fire Officer I	4505 - Airport Firefighter
4506 - Haz Mat Operations	4507 - Fire Inspector I	4508 - Driver/Operator - ARFF
4514 - Fire and Life Safety Educator I	4515 - Driver/Operator - Aerial	4517 - Fire Instructor II
4516 - Driver/Operator - Mobile Water Supply	4519 - Fire Officer II	
4518 - Juvenile Firesetter Intervention Specialist I	4520 - Hazardous Materials Awareness	
4701 - I153 NFPA Firefighter I Challenge exam	\$5 fee	
4702 - I154 NFPA Firefighter II Challenge exam	\$5 fee	

### Locations:

## Challenge Examination Prerequisites

The table below illustrates the certification examinations, prerequisite certifications and prerequisite courses and equivalencies (where applicable) for the 16 occupational certification levels currently offered by the Fire Academy. **Participants must show their certification confirmation form and a picture ID to be admitted to the exam site.** Certification exams at all levels are offered to in-state public fire service personnel.

Certification Exam Title	Prior Certification Requirement	Course Prerequisites
Instructor I Course 4500	None	4161 - Fire Instructor I or training equivalent to NFPA 1041, level I
Firefighter I Course 4501	None	1152 - Fundamentals of Firefighting 2728 - Hazardous Materials Operations 1153 - NFPA Firefighter I or training equivalent to NFPA 1001 Ch. 5 First Aid and CPR Certification
Firefighter II Course 4502	Firefighter I	3330 - Basic Auto Extrication 1154 - NFPA Firefighter II or training equivalent to NFPA 1001 Ch. 6
Driver/Operator - Pumper Course 4503	Firefighter I	1210 - EVDT / 1220 - Pump Operations I / 1221 - Pump Operations II EVDT Skill 4.7 (Local Area Test Form) must accompany registration for examination or training equivalent to NFPA 1002 Ch. 4 & 5
Fire Officer I Course 4504	Firefighter II Fire Instructor I	2100 - Fire Officer I or training equivalent to NFPA 1021 Ch. 4
Airport Firefighter Course 4505	Firefighter II	3400 - Airport Firefighter or training equivalent to NFPA 1003 Ch. 6
Haz Mat Operations Course 4506	Haz Mat Awareness	1136 - Flammable Liquids and Gas and 2722 - Hazmat Operations or 2728 - Hazmat Operations or training equivalent to NFPA 472 Ch. 4.5 and section 6.2, 6.6
Fire Inspector I Course 4507	None	3226 - NFPA Fire Inspector I or training equivalent to NFPA 1031 Ch. 4
Driver/Operator - ARFF Course 4508	Firefighter II Airport Firefighter	Training equivalent to NFPA 1002 Ch. 4 & 9
Fire & Life Safety Educator I Course 4514	None	4165 - Fire & Life Safety Educator I or training equivalent to NFPA 1035 Ch. 5
Driver/Operator - Aerial Course 4515	Firefighter I	1210 - EVDT / 1250 - Aerial Operations EVDT Skills 4.6, 4.7 (Local Area Test Form) must accompany registration for examination or training equivalent to NFPA 1002 Ch. 4 & 6
Driver/Operator - Mobile Water Supply Course 4516	Firefighter I	1210 - EVDT / 1220 - Pump Operations I / 1221 - Pump Operations II EVDT Skill 4.7 (Local Area Test Form) must accompany registration for examination or training equivalent to NFPA 1002 Ch. 4 & 10
Fire Instructor II Course 4517	Fire Instructor I	4172 - Fire Instructor II or training equivalent to NFPA 1041 Ch. 5
Juvenile Firesetter Intervention Specialist I Course 4518	None	NFA course 626 - Juvenile Firesetter Intervention Specialist I or training equivalent to NFPA 1035 Ch. 4
Fire Officer II Course 4519	Fire Officer I	2102 - Fire Officer II or training equivalent to NFPA 1021 Ch. 5
Hazardous Materials Awareness Course 4520	None	2727 Haz Mat Awareness or 2722 - Hazmat Operations

For information on equivalency requirements and procedures, contact A.J. Esposito, Certification and Accreditation Supervisor, via e-mail at [esposito@lfr.sc.gov](mailto:esposito@lfr.sc.gov) or (803) 896-9881.

## Preparing for a Practical Certification Exam

Practical certification exams are conducted at the conclusion of certain courses. The Firefighter I Practical Certification Exam is conducted at the conclusion of course *1153 - NFPA Firefighter I*. The Firefighter II Practical Certification Exam is conducted at the conclusion of course *1154 - NFPA Firefighter II*; the 1002 - Driver/Operator-Pumper practical exams are given at the conclusion of courses *1220 - Pump Operations I*, *1221 - Pump Operations II* and course *1210 - Emergency Vehicle Driver Training*; and the practical exam for Instructor I is conducted at the end of course *4171 - Fire Instructor I*. Based on this evaluation method, these courses are prerequisites to completing the written certification examination. Students who are successful in the course should be well prepared to take the practical skills exam. However, since the practical skills examinations contain several objectives, which they may be asked to perform, students should be prepared to perform all of the manipulative or practical objectives listed in the NFPA standard for that certification level.

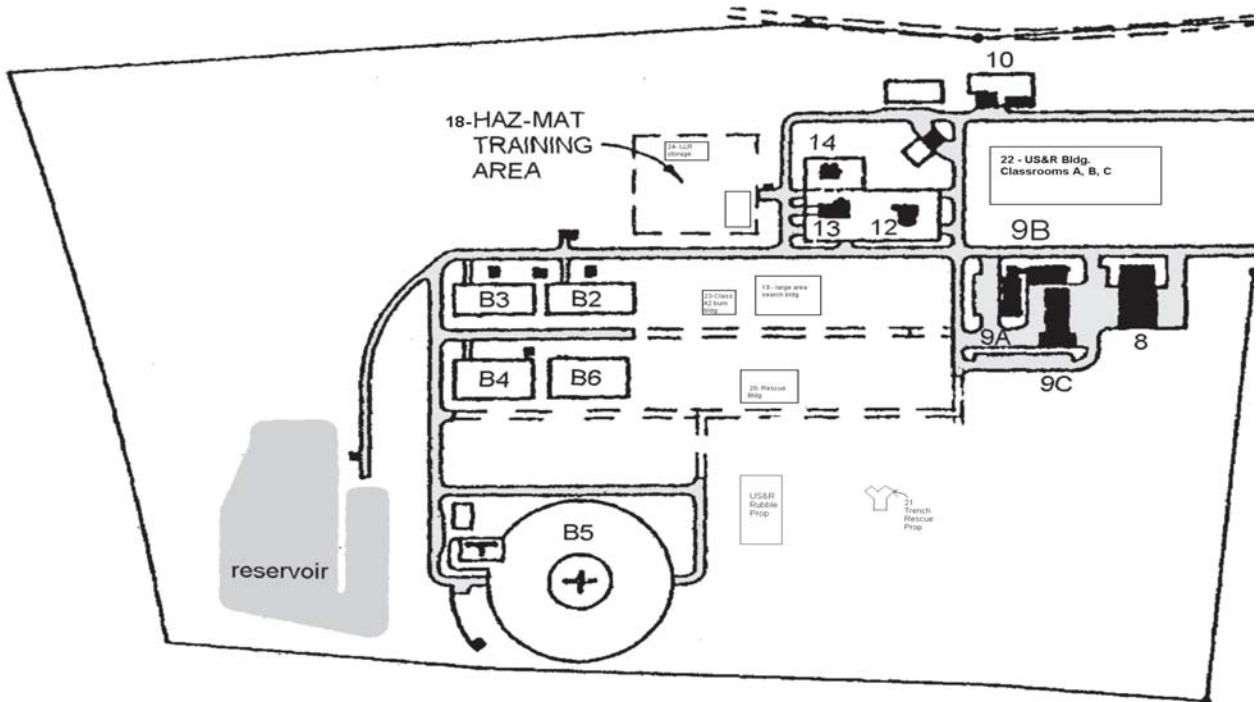

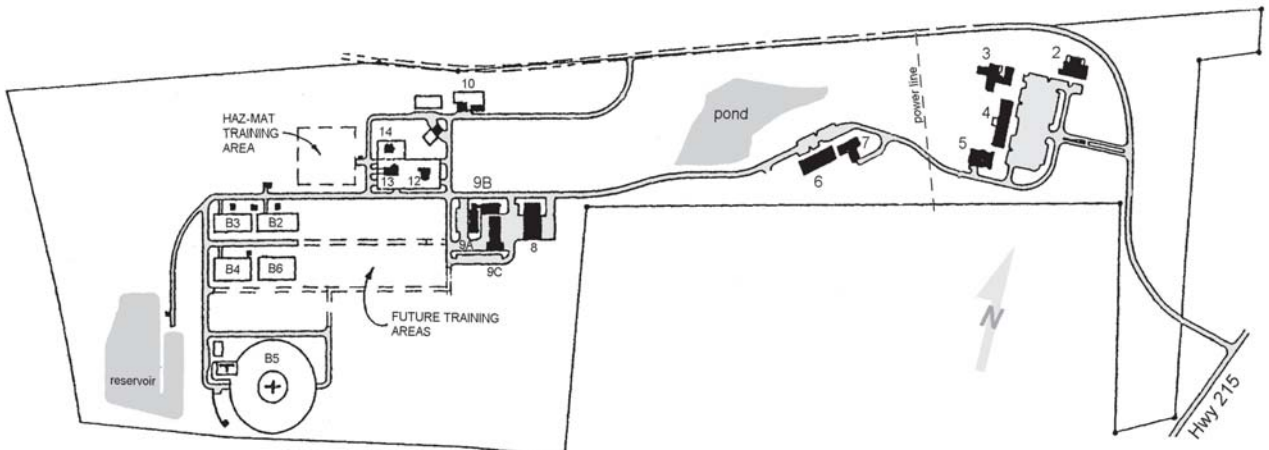

Practical skills tests are graded on a pass/fail system with a passing score required for successful completion of the certification exam. Passing means that the student performed the skill correctly, while failing means that the student performed the skill unsafely or to the point of being ineffective. Each student will be given two attempts to perform each required skill during the same test session. Should the student not receive a pass rating on the initial attempt, he/she will be eligible for an immediate second attempt. Students will be retested only on the skill that was not performed satisfactorily after two attempts. One retest opportunity is allowed for students failing to meet the minimum score for a practical skills exam. Any student failing to complete the second attempt will be required to retest the failed skill at a later date. The student must wait at least 30 days before retesting. Failing the retest requires the student to retake the entire training program before being eligible again for retesting.

## Regional Office Addresses

### 1 - Greenville Region

Cecil Anderson, Coordinator  
 Carol Baker, Administrative Assistant  
 505 North Main St, Suite N  
 Greenville, SC 29601  
 (864)271-1216 (864)241-0498 - fax

### 5 - Charleston Region

Dee Maret, Coordinator  
 Amy Williamson, Administrative Assistant  
 3125 Ashley Phosphate Rd., Suite 111  
 N. Charleston, SC 29418  
 (843)552-6217 (843)552-9483 - fax

### 2 - Rock Hill Region

Bernard Smalley, Coordinator  
 2151 Ogden Rd.  
 Rock Hill, SC 29730  
 (803)329-3951 (803)329-4789 - fax

### 6 - Midlands Region

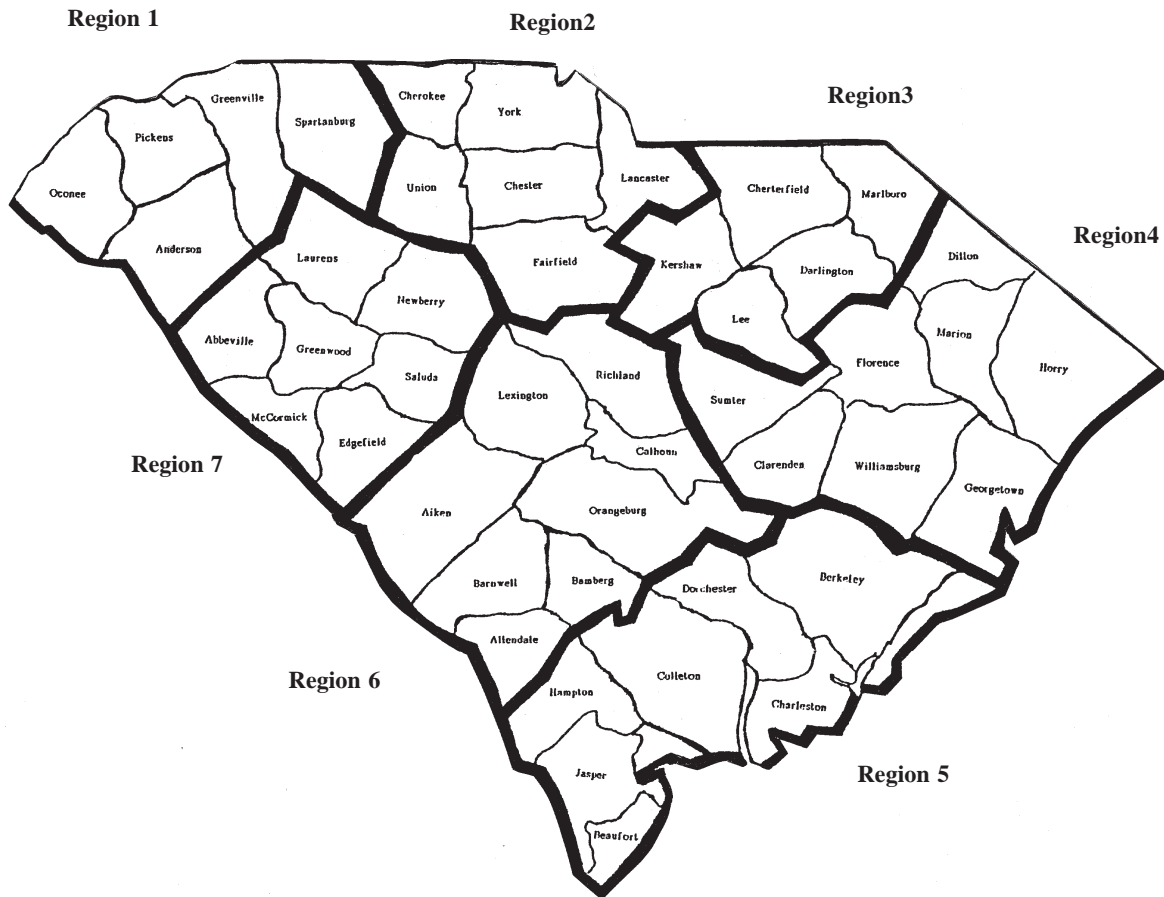

Keith Rucker, Coordinator  
 141 Monticello Trail  
 Columbia, SC 29203  
 (803)896-9861 (803)896-9856 - fax

### 3/4 - Florence Region

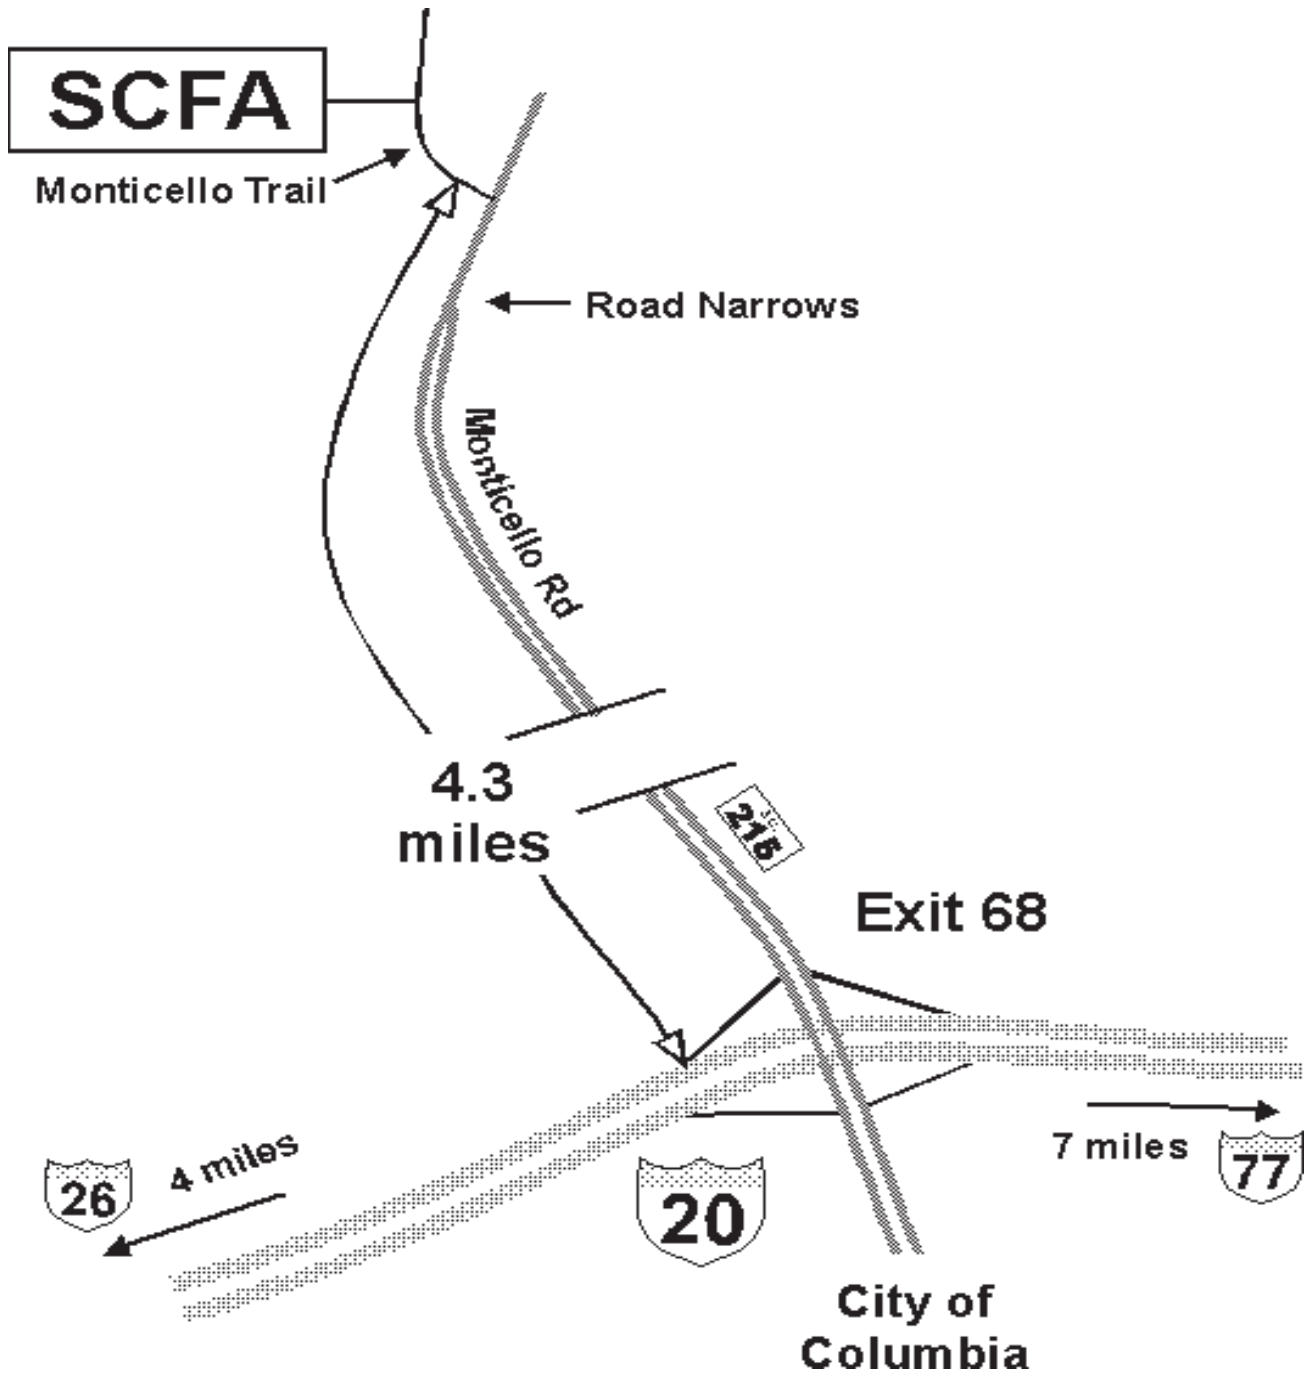

Duane Cassidy, Coordinator  
 Caren Canup, Administrative Assistant  
 216 Dozier Blvd.  
 Florence, SC 29501  
 (843)664-0682 (843)664-0836 - fax

### 7 - Greenwood Region

Ted Martin, Coordinator  
 201 Oakwood Dr  
 Greenwood, SC 29649  
 (864) 227-3233 (864) 227-1293 - fax
